Enterprise Community Health Fair...
Partnership for a Healthy Life Style

Dear Friend,

The Enterprise Chamber of Commerce Health Care Committee would like to invite you to sponsor the 2012 Enterprise Community Health Fair scheduled for Saturday, February 25, 2012 at Enterprise State Community College. A Community Health Fair has taken place every year since 1972 in Enterprise, in some capacity, and we are hoping to make this year the best yet. There will be an official Ribbon Cutting Ceremony to open this year's event. As a sponsor, you will be invited to come out and participate in this Ribbon Cutting to announce that the Enterprise Community Health Fair wouldn't be possible without your support. Sponsorship levels are attached for your review. If you are not a health related business, you can still sponsor to show your support of Health Awareness for our citizens. This is a free health event for our community; young and old alike. As you may know, there are many citizens in our community that do not have health insurance. This event is an effort to get these people out for the free checks, literature, and awareness of what services are available. More information will be sent out closer to time for the 2012 event to show what services will be available this year. The last two years, through support from people like you, we were able to provide a basic full physical at absolutely no cost to the citizens that attended.
If you are interested, please remit your check for the sponsor level of your choosing payable to the Enterprise Chamber of Commerce, Inc. 2012 Health Fair P.O. Box 310577 Enterprise, Alabama 36331. Sponsorship levels are listed below but any donation is greatly appreciated and used 100% for this event.

We are also looking for health related items to be included in the "goodie bags" for all the Children that come out to participate in the 2012 Enterprise Area Community Children's Fitness Fun Fair. I'm sure you've heard on the news or read in the paper about the obesity problem plaguing our young people, this Children's Fitness Fun Fair educates our kids on fun ways to stay fit without missing the TV or the computer and without needing lots of expensive equipment. In previous years we have had 200 children and this year we expect at least that many return. Our committee will be stuffing the bags on February 3, 2012 so please don't hesitate to call us for pick up or delivery you may deliver your items to the Enterprise Chamber located at 553 Glover Avenue if you are interested in donating.

If you are interested, have questions or need additional information, please call Lisa Pair at the Chamber office at 347-0581 or email her at chamberoffice@centurytel.net .

Due to printing & publication deadlines, please have your sponsorship information turned in to the Chamber office by December 16, 2011.

Thank you,
Darlene Wise
Chairman
Enterprise Chamber of Commerce Health Care Committee
