

YEAP

YOUNG ENTERPRISE AREA PROFESSIONALS

# SPONSORSHIP OPPORTUNITY

2022-2023

## SUPPORT RISING LEADERS

Financial and in-kind support of the Young Enterprise Area Professionals furthers the growth and impact of the Enterprise Chamber of Commerce. Our programs and partnerships would not be possible without the support of the local business community. YEAP was founded to provide a forum for young professionals in and around Enterprise to connect with other members of the community, provide professional development, influence and drive positive change in Enterprise, and to boost their leadership potential to shape the future of our community.

Our members are dedicated to proactively making a difference. As a sponsor for YEAP, you will be providing the resources necessary to sustain the longevity of the Enterprise Chamber of Commerce. In addition to tangible benefits, your generosity will advance Enterprise's next generation of leaders while attracting and retaining young talent in our community.

## ENHANCE YOUR BUSINESS BY SPONSORING YEAP

Our Board of Directors are solely volunteers working with a budget to create events for our local young professionals. Your contribution will support young professionals within the community by providing educational forums, training sessions, social networking events, and community involvement opportunities. We will be provided the tools to develop personal and leadership skills in a professional environment. Sponsorship opportunities are exclusively available to current members in good standing with the Enterprise Chamber of Commerce.
