CRITERIA?

Any Enterprise Chamber of Commerce member in good standing is eligible to nominate one prospective applicant, to include themselves, for participation in the Leadership Coffee County program. Applications must be submitted on the forms provided by Leadership Coffee County and must be received in office by the prescribed deadline.

Unless the applicant is self-employed, the applicant's employer is required to endorse the application, as the applicant's participation will require time away from work for full session days. Additional volunteer hours are required to complete the program, which may require limited, but additional, time away from work.

All class positions are open each year, and application does not guarantee selection. Class size may be limited based on number of applications received, and will be reviewed and selected based upon information provided by applicant. Selected applicants should exemplify all or most of the following: high standards of personal integrity, dedication to excellence in the workforce, personal goals, or a demonstration of community achievements.

COMMITMENT?

To complete Leadership Coffee County selected applicants are expected to make a commitment to the program to attend each of the nine full-day sessions during the months of February through October, participate in the planning and execution of the class project, and complete a minimum requirement of five individual volunteer hours to the Enterprise Chamber of Commerce. Class days are usually the second Tuesday of each month and run from 8:00 am – 5:00 pm, unless otherwise specified.

TUITION?

If accepted into the program, you or your employer/sponsor will be responsible for your tuition, which will be due prior to the opening retreat. Tuition cost is \$375 and will cover all program costs, including food, transportation, LCC logo shirt, and staff time.
